

“Today was an unforgettable and glorious moment in my life, as a humble worker of the BJP, I had the honor of meeting our nation’s esteemed and one of the world’s most influential leaders, Honorable Prime Minister Shri Narendra Modiji, in Mumbai. This moment has become a source of deep inspiration and energy for me, encouraging me to serve society and the nation with even greater dedication. The simplicity of Modiji, the depth of his vision, and his exceptional leadership have brought glory to India on the global stage and instilled a sense of confidence in every Indian. Under your visionary leadership, countless doors of progress have opened, turning the dream of a ‘New India’ into reality. By the grace of Mahakal, I was fortunate to experience this special moment, for which I express my heartfelt gratitude. May we continue to move forward on the path of continuous progress under your leadership; this is my humble prayer. Adv Manoj Jaiswal, Mumbai General secretary -BJP- OBC Morcha.
