Ashish specialises in real estate transactions, conducting due diligences and drafting allied documents. He regularly advises multinational companies on property related matters. He also acts as Legal Consultant for various Co-operative Housing Societies/Developers in Mumbai as well as Pune in respect of formation of societies under the Maharashtra Co-operative Housing Societies Act, Redevelopment Projects and Deemed Conveyance proceedings. His clients include some of the top realtors, banks and high net individuals who have engaged him in issues relating to acquisition of agricultural land, setting up townships, slum rehabilitation, society development. Ashish has often advised clients in some of the most complex real estate and conveyancing transactions.
